Kosciuszko

Difficulty: 

Capacity: 90

Accommodation: Tents

Toilets: Pit

Kosciuszko National Park is an alpine playground all year round. In the warmer months you can paddle down the rivers and lakes, jump on a mountain bike, abseil from the highest commercial abseil in the country or hike the Main Range and summit the country. In winter ski down the slopes or go snow shoeing through the back country.

Bush Walking
